

QUESTIONS TO ASK BEFORE HIRING A MEDICAL MALPRACTICE LAWYER

Below are seven questions to ask your prospective lawyer.

- 1 How much experience does your firm have in representing injured people?
- 2 Does your firm go to trial if necessary?
- 3 Does your firm have the financial resources to take a serious medical malpractice claim to trial?
- 4 What are the qualifications and experience of those assigned to handle the day-to-day duties of my case at your office?
- 5 If I have a legal question during my case, will I speak to a lawyer or a paralegal?
- 6 Can I meet with my attorney during my case?
- 7 Is it possible that your legal fee will be more than the amount I receive after paying medical bills and case expenses?
